What a nice, cheerful, bungalow! It is honestly in move in condition. Every floor covering in the house is new. The kitchen has maple floors, and the bathroom has ceramic tile. The family room is an added bonus for a home this size, and makes a great play room or office. The garage is attached, the back yard is big, and the location is convenient to schools and grocery stores. The taxes are based on non-owner occupied, and the realtor is related to the seller.
